Fortified city
Vrijstad Vianen

Vaals

Wandering 5stars landscape
Spirituality and silence walk
Religues - cultural heritage

The screenshot shows the website interface for Cittaslow Nederland. At the top, there is a navigation bar with the following links: [CITTASLOWNEDERLAND](#), [NIEUWS](#), [CONTACT](#), and [ENGLISH](#). A search bar is located to the right of these links. Below the navigation bar, the main menu includes: [Over Cittaslow](#), [Netwerk](#), [Supporters](#), [Certificering](#), [Ambassadeurs](#), and [Slow Toerisme](#). The [Slow Toerisme](#) link is highlighted with a yellow circle. The main content area features two large images: on the left, a brick building with a thatched roof and a person walking; on the right, a group of cyclists riding past a crowd of spectators. Below the images is a blue section with the title "Cittaslow Nederland" and two paragraphs of text.

Cittaslow is het internationale keurmerk voor gemeenten die op het gebied van leefomgeving, landschap, streekproducten, gastvrijheid, milieu, infrastructuur, cultuurhistorie en behoud van identiteit tot de top behoren. Cittaslow Nederland is het netwerk van alle gemeenten in Nederland met het Cittaslow keurmerk.

Door zich aan te sluiten bij het Nederlandse Cittaslow netwerk, kunnen gemeenten samenwerken om de kwaliteit van leven te verbeteren door het authentieke te koesteren en nieuwe technieken in te zetten die vooruitgang mogelijk maken.

Project phase 1

- Each Dutch Cittaslow organizes one or more arrangements
- Arrangement is provided with contact information on national website

Project phase 2

- Travel agency or tourist office arranges the arrangement for visitors and foreign tourists

Call-up

- Request to all networks to offer slow tourism on the same basis
